Level 2 – Basic Skills

Friday 23 June:

Practice for L2/3 Courses, 6pm

Saturday 24/Sunday 25 June:

Level 2 – Basic Skills

Level 3 – Better Sailing

Level 1 – Start Sailing

Always wanted to learn to sail, but not had the opportunity or the confidence? At Whitefriars, we like you to learn in a relaxed, club based environment with expert, RYA qualified instructors. Club members and visitors are equally welcome. Many of our visiting students have joined us following the course.

Level 2 – Basic Skills

Sailed a little, or a long time ago? Level 2 can build on your previous experience, giving you the skills and confidence you need to be able to look after yourself on the water. Level 2 gives you all the building blocks you need to become an expert dinghy sailor. This course can be taken after Level 1 with a small amount of practice, under advice from your instructor.

Level 3 – Better Sailing

Build your skills to the point where sailing starts to become as natural as breathing! Following practice, Level 3 takes the building blocks from Level 2 and turns conscious decision making into instinctive action. It is suggested that regular sailing following a Level 2 course is needed to make the most of a Level 3 course.
