WHITEFRIARS SAILING CLUB *Ladies Sailing Group*

The Ladies Group has been around since 1993 and gives support and encouragement to all lady sailors. If you are usually left on shore holding the sandwiches and towels or if you avoid the races in case you get shouted at then we may be for you. We try to avoid race days and junior days so the lake is more peaceful and we have the space to practice and explore the lake. Our aim is to improve our sailing skills, but you will also get the opportunity to meet other members, try different dinghies, have a laugh, and make new friends. We use our own boats but also have access to the training boats so you don't need to own one. We even hold our own race series and encourage everyone to join in. There is the chance to ask 'stupid' questions or simply to catch up with news whilst looking out over the water at the more energetic. We start and end the season with a social evening with an opportunity to discuss plans for the year and how we want the group to develop.

Ideally we would like you to have RYA Level 2 or equivalent experience, but come and talk to us before you write yourself off. For more information contact Paula Perks 01453 521004. Sailing dates for 2015 are 21 Mar, 18 April, 16 May, 13 Jun, 25 July, 22 Aug, 10 Oct. Start of season social lunch at the clubhouse on 21 Feb with shore-based day learning about charts. End of season social evening date to be confirmed.

Our fee for 2015 is £15.
